STATEMENT OF FACTS

I, Christopher M. Baugh , being duly sworn, do state the following

On October 6, 2017, Supervisory Border Patrol Agent (SBPA) Christopher Coleman and Border Patrol Agent (BPA) Jose Mendez were assigned to the Wellton Border Patrol Station. While checking a known location for alien and narcotic smuggling at approximately mile marker 91 on Interstate 8, SBPA Coleman found a total of seven (7) packs of what they suspected to be marijuana.

SBPA Coleman and BPA Mendez began to search the area for any possible subjects in the area. The agents located footprints that appeared to leaving the area of where the seven packs were located. The agents followed the footprints approximately two miles north of Interstate 8. The agents were notified that a rotary helicopter, call sign Omaha 6BP, was in the area to assist in the search. BPA Ricardo Pena, who was operating a Forward Looking Infrared Camera, began searching the area as well.

BPA Pina was able to see several subjects attempting to conceal themselves in brush located approximately northeast of SBPA Coleman and BPA Mendez. Using his service radio, BPA Pina notified the agents and Omaha 6BP of the subjects he had observed. Omaha 6BP notified the agents that he had visual of several subjects attempting to conceal themselves in brush that was in direct line from where they were following footprints.

Rodriguez-Urias was apprehended along with six other subjects, in close proximity of seven (7) bundles of marijuana, weighing approximately 301.30 pounds. In a subsequent post Miranda interview, Rodriguez-Urias said he was responsible for carrying a pack that weighed twenty (20) kilograms of marijuana. Rodriguez-Urias claimed that everyone, except for the guide, were carrying packs of marijuana. Rodriguez-Urias claims he was not going to be paid, but was carrying the pack in exchange of being smuggled into the United States.

Based on my training and experience, the area where Rodriguez-Urias was apprehended is a remote area, and a known drug trafficking corridor. Rodriguez-Urias was encountered in a remote area in the desert, using tactics commonly used by drug trafficking organizations operating in Gila Bend, AZ.

Immigration history checks revealed Javier Rodriguez-Urias to be a citizen of Mexico and a previously deported criminal alien. Rodriguez-Urias was removed from the United States to Mexico through Del Rio, Texas, on or about April 22, 2015, pursuant to the reinstatement of a removal order issued by an immigration official. There is no record of Javier Rodriguez-Urias in any Department of Homeland Security database to suggest that Rodriguez-Urias obtained permission from the Secretary of the Department of Homeland Security to return to the United

States after his removal. Rodriguez-Urias's immigration history was matched to him by electronic fingerprint comparison.

Criminal history checks revealed that Javier Rodriguez-Urias was convicted of 8 USC 1326 (B)(1) Re-Entry of a Felon, a felony offense, on October 20, 2011, in the United States District Court, Tucson, Arizona. Rodriguez-Urias was sentenced to twelve (12) months imprisonment and thirty-six (36) months of supervised release.

While at the Wellton Station, a field test was conducted on the suspected marijuana. The seized substance tested positive for the characteristics of marijuana.

Based upon the foregoing, there is probable cause to believe that the defendant committed the offense as alleged in the Complaint.
